TERMS: please note we do not provide estimates for items under $300 exGST. If estimated item(s) are not approved handling and freight might be charged at our discretion. Please note, all Estimates and Tax Invoices are based on initial testing and analysis of equipment and do not constitute the guaranteed final price. Upon approval to commence work, further testing and analysis may uncover extra labour and replacement parts. If the new charges are significantly more than an initial Estimate we will contact you to inform you of the extra costs. Acceptance of Estimates, Tax Invoices, Sales and/or submissions of Purchase Order requests verbally or in writing are subject to our trading terms, which are detailed on our website handpiecerepair.com.au/terms. In the event where your overdue account is referred to a collection agency and/or law firm, you will be liable for all costs which would be incurred as if the debt is collected in full, including legal demand costs. Overdue accounts will be subject to interest at the rate of 13% p.a., calculated for the period the account is due until the date it is paid.
